

**IF you are serious about raising
educational standards AND
saving our schools from closure
THEN**

DEMAND A REFERENDUM NOW!

**Tell your Councillor
to vote for Option 4
on the 19th March**

The main pressure groups, political opposition & many others have agreed that if the existing 3 options are rejected and option 4 is chosen instead then they will support the outcome. That will settle the matter once and for all.

**Option 4 demands an immediate referendum
(as offered in the 2005 Conservative election manifesto)
to be called, to decide between:**

**Continuing to raise standards within the current three tier system retaining
small schools and avoiding a major reorganisation**

OR

**A Reorganisation to a two-tier system which emphasises the importance of small
schools and community based learning.**

**This will allow everyone to have their say
AND give Conservative politicians a chance to honour their election
promises and do the right thing for the Island's children**
